- (ii) Annual budgets: The utility shall adhere to the budgetary levels set in the tariff.
- (iii) Surpluses: The surpluses projected to be realised shall be set aside to implement priority service delivery capital projects. NGAWASCO shall be required at the end of every financial year to identify the priority project to be implemented and obtain approval from WASREB.
- (iv) Catchment Protection: The utility shall undertake measures to conserve/ protect the catchment areas of their source of water as part of Corporate Social Responsibility.
- (v) Reporting: The utility shall submit to WASREB a quarterly performance report in the format provided.
- (vi) Customer re- categorisation for billing: NGAWASCO will separate individual domestic accounts from Multi-Dwelling Units accounts and migrate consumer billing data within the first 3 months of tariff approval and implementation of the tariff. The detailed report should be submitted to WASREB.
 - Pursuant to this, the WSP shall bill all MDU / Gated communities at the recommended MDU/ Gated Community tariff for Water, Sewerage and other Miscellaneous charges specified in this tariff.
- (vii) Ring-Fencing of Capital Expenditure: The WSP to open a separate account for capital component of the tariff, to deposit the appropriate share of revenue into this account which is only to be used for capital expenditure and repayment of loans as provided for in the approved tariff.
- (viii) Tariff Assessment: WASREB will carry out a tariff implementation review within the first 12 months of approval and implementation during which a joint assessment with the utility on the trend in Billing (KSh.) shall be carried out and status of implementation of the tariff evaluated.

(ix) Investments: The utility shall undertake the investments in Annex 1:

GAZETTE NOTICE NO. 1311

THE WATER ACT

(No. 43 of 2016)

NGANDORI-NGINDA WATER CONSUMERS ASSOCIATION

Approved Tariff Structure for the Period 2022/2023 to 2024/2025

Ngandori–Nginda Water Consumers Association (NNWCA) applied to the Water Services Regulatory Board (WASREB) for a review of tariffs for water services, for the period 2022/2023 to 2024/2025 as per section 72 (1) *b* of the Water Act 2016.

Public consultation on the NNWCA application was carried out in accordance with the requirements of section 139 of the Water Act 2016.

After considering the application, the written and oral submissions by all stakeholders during the consultation period, and based on latest available data, WASREB has determined an upward tariff review for NNWCA is justified to improve service delivery, operate sustainably and protect consumer interests by meeting the tariff conditions attached to the tariff.

WASREB gives a one (1) months' notice to all existing and potential customers of NNWCA that the approved tariffs for the three financial years 2022/23, 2023/24, and 2024/25 shall be as follows:

1.0 Approved Tariff Structure

1.1 Water Tariff Structure for the period 2022/2023 to 2024/2025

Customer Category	Approved		
Domestic/Residential	Consumption Block in M³	Tariff (KSh/M³)	
	1-6	45	
	7-20.	52	
	21-50	60	
	51-100	70	
	101-300	85

	51-100	70	
	101-300	85	
	>300	130	
Schools, Universities and Colleges	1-600	50	
	601 - 1200.	60	
	>1200	70	
Water kiosks	per m ³	35	

^{1.2} Sewerage Tariff Structure for the period 2022/2022 to 2024/2025

(a) Consumers with a Water Connection

Sewerage will be charged at 75% of the water volumes, billed at the tariff for water specified (in 1.1) above for all customer categories.

(b) Consumers without a Water Connection

Sewerage consumers without a water connection shall be charged as follows:

- Single dwelling Domestic unit: KSh. 350 per month
- All other categories: 75% of the volume of water consumed as per the metered source at the rates specified (in 1.1) above.

Note: All disconnected accounts (water only, sewer only and water + sewer shall be charged based on the average of the last three months' charges before the disconnection.

1.3 Miscellaneous Charges

These shall be as follows:

Item/ Service	Charge (KSh.)
Water Deposit	
Category of Consumer	
Domestic	2,500
Retail shops less than 10m ³	3,000
Retail shops more than 10m ³	3,500

GAZETTE NOTICE NO. 1312

THE WATER ACT (No. 43 of 2016)

NYASARE SUPPLY WATER AND SANITATION COMPANY

Approved Tariff Structure for the Period 2022/2023 to 2024/2025

Nyasare Supply Water and Sanitation Company (NYAWASSCO) applied to the Water Services Regulatory Board (WASREB) for a review of tariffs for water services, for the period 2022/2023 to 2024/2025 as per section 72 (1) b of the Water Act, 2016.

Public consultation on the NYAWASSCO application was carried out in accordance to the requirements of section 139 of the Water Act, 2016.

After considering the application, the written and oral submissions by all stakeholders during the consultation period, and based on latest available data, WASREB has determined an upward tariff review for NYAWASSCO is justified in order to improve service delivery, operate sustainably and protect consumer interests by meeting the tariff conditions attached to the tariff.

WASREB gives a one (1) months' notice to all existing and potential customers of NYAWASSCO that the approved tariffs for the three financial years 2022/23, 2023/24, and 2024/25 shall be as follows:
